Every Learner Knows Success

April 5, 2021

Dear Round Valley Parents and Students,

Thank you for your support of our district and staff during this difficult year. Despite the severe challenge, it has been a really great year for our district. I would also like to thank our amazing school staff for their hard work and dedication to making sure all of our students had a positive, safe and somewhat normal school year. Our Round Valley community always comes through during difficult times. Go Elks!

Here are some upcoming events this month so you can make plans accordingly.

- **Wednesday April 28th** after lunch our students and staff will be going out into the neighborhoods around the school buildings to help clean/pick trash up and beautify our community. Any parents interested in joining us can contact their student's teacher to come help.
- **Thursday April 29th will be an online instruction day for all students.** Each student will receive assignments through the google classroom process instead of coming to school. We will be using this day for training and recognition for all of our employees that day.
- As the year progresses into May it becomes impossible to get with all staff due to the many conflicts that arise in May. The ability to go online for a day will give us the flexibility to meet the needs of our staff.
- We hope that you can work with us in making adjustments for your children.

It's amazing that we are approaching the end of this school year. Despite everything going on in this crazy world we have maintained our course and kept our ability to teach, learn and compete available for our students and their families intact. We could not have done it without the support of this great community.

Thank you again for the partnership we enjoy with you- our RV families. We are sincerely blessed in the unity we share. GO ELKS!

Sincerely,
